NATURALLY NIFTY, NEWSY, NONDESCRIPT NONSENSE ABOUT OUR NUTTY NON-ENTITIES!

HOW ABOUT THAT! It could only happen to a Marvel mag! Before the ink was fully dry on the great first ish of our MARVEL COLLECTORS' ITEM CLASSICS, the fan mail began to pour in from everywhere! And so, in the space of only 30 days, we've changed it from a quarterly to a bi-monthly! Now, let's see how long it'll take to make our latest smash hit a MONTHLY! And, speaking of that—are you aware that every single Marvel super-hero mag is published monthly? Not "monthly with the exception of the following months—" but monthly, period! In case we haven't told you, only Marvel can make that boast!

DIDJA KNOW? Didja know that the famous *National Observer* (published weekly by Dow-Jones) had a sensational write-up about comic mags in its Oct. 11th edition? And guess who got the king-sized share of the mentions, with quotes like: "—The Merry Marvel Marching Society [is] a comic book fan club—chapters meet at such schools as Harvard, Yale, and Princeton.—The publishers explain their new popularity with one word: Sophistication, both in the comics and the readers. The turning point for comics was about three years ago, when Stan Lee decided to try to reach readers beyond the bubble-gum brigade. Aiming at high school and college students, he created the FANTASTIC FOUR.—The F.F. were an instant hit.—The result for Marvel is impressive and promising.—It is selling 33,000,000 copies a year. Marvel Comics—innovator of the new trend." Any questions, students? Didja know the nation's top disc jockeys have been filling the airwaves with paeans of praise for our Marvel mags! In fact, practically every top-rated disc jockey is now a full-fledged Merry Marcher! More about that in following issues, when space allows!

STRICTLY PERSONAL: It hadda happen! JACK "KING" KIRBY himself insisted that jazzy JOHNNY ROMITA was the only logical illustrator to handle Captain America in the master's own style, and if you've seen this month's TALES OF SUSPENSE, you'll know why! And how about the sensational job the jazzy one is doing on DAREDEVIL? Yep, it looks as if ol' ring-a-ding Romita is with us to stay! But you ain't seen nothin' yet! Not till you latch onto TALES TO ASTONISH and thrill to the artwork of BILL EVERETT, who positively draws the hulkiest Hulk you've ever seen! We're really flipping over Bill's reentry into the bullpen, and can't wait to hear your comments. We think he's gonna prove to be another STEVE DITKO—with an inimitable style all his own, just as sturdy Stevey has. By the way, if you see the shiniest, brightest, most fire-engine-red Buick Riviera you've ever seen scootin' down a Long Island highway, wave hello as the dashin' driver barrels by, because it'll probably be dazzling DONNIE HECK with his latest pride 'n joy! If we could get him to spend half as much time at the drawing board as he does polishing his flivver, we could publish the AVENGERS every week! Have you heard about SMILIN' STAN'S first "vacation" in years? He took a whole weekend off, as he and his lovely blonde wife hopped a train to Toronto. Why didn't they fly? Because the train gave him time to bat out a couple of SCRIPTS on the way, natch! Lots of you have been asking for some inside info about IRVING FORBUSH. We can't make up our minds whether to keep him a man of mystery, or to blow the whole bit! But in issues to come, we'll try to clue you in about the most famous nobody in all of comicdom!

DEPT. OF UTTER CONFUSION! It seems we've hardly finished work on our last batch of 25¢ Annuals, but now it's time to start planning our new ones for the summer of '66! Keep watching this space for further details as they develop! Y'know, we can hardly keep track of all our "extra" projects, like our Marvel T-shirts, swingin' stationery, the good ol' M.M.M.S., our life-sized pin-ups, Hulk sweat shirt, etc., etc.! And we've so many more projects in the works that we're going batty! (Oops, sorry! We mean BATTIER!) The amazing thing is that ALL those groovy gizmos have become howlin' hits, and we're beginning to feel as though we work for Sears-Roebuck instead of—of—say, who DO we work for, anyway? Oh well, it's been one of those kinda days again!

THE WRAP-UP: For those of you who might be newcomers to the mighty Marvel Age of Comics, we want to extend a welcoming hand, and to reaffirm a pledge we made years ago to Marvelites everywhere: Our magazines are proudly dedicated to you, the great new breed of comic reader! They're founded on the unswerving principle that our readers have the intelligence and good taste to recognize quality in story and art, and thus are deserving of the best we can produce! We may not always score a home run, but of this you may be certain—we'll always be in there swinging our hardest! So, till we meet again, FACE FRONT! And remember, we're nothing without you!

Let's meet 26 more M.M.M.S. members!

ASTONISH #79: Nothing can compare with the impact of Sub-Mariner challenging the Behemoth! As for the Hulk, all we need say is—he battles Hercules!

SGT. FURY #29: We call this epic thriller "Armageddon"—and when your incredulous eyes behold the wonder, you'll soon know why!

FANTASY MASTERPIECES #2: More startling suspense smash-hits from the Golden Age of Marvel, featuring fabulous fantasy features by your favorite bullpen buddies!

MARVEL COLLECTORS' ITEM CLASSICS #2: If you're lucky, there may still be a copy available somewhere! But, since it features an early F.F., SPIDEY, and ANT-MAN, we kinda doubt it!

KID COLT'S ROUNDUP

SEND YOUR LETTERS TO:
THE MARVEL COMICS GROUP SECOND FLOOR
625 MADISON AVE., NEW YORK, N. Y. 10022

Dear Stan and Jack,

You made a goof! On the cover of KID COLT #126 Wes Hardin has four fingers! Your artwork is getting better. Also, on page 5, panel 3, the Kid is sleeping with his pants on! I think that Kid Colt, Two-Gun Kid, and Rawhide Kid are handled in real western style. How about teaming them up as the Gunslingers? Keep up the good work. As long as you print good comics, I'll give my hard-earned 12¢ to buy your books.

Daniel Brannigan, 445 Akerman St.
Brooklyn, N.Y.

We gotta do more than *print* the comics, Dan. We also gotta write 'em, draw 'em, color 'em, and staple 'em together! So we appreciate your support, pard.

Dear Stan and Jack,

I just finished reading KID COLT #126 and it was terrific! But did they really make that kind of vest in those days? I don't see how they possibly could have. Changing the subject, I would like to have Kid Colt, Rawhide Kid, and Two-Gun Kid meet the Masquerader or some other gang of outlaws. Otherwise, your mags are perfect. I enjoy them very much.

Guy Guenin, Box 12
LaFontaine, Ind.

Look close at the story, hombre, and you'll see that Wes Hardin had his gunsel's vest made specially for his shootout with the Kid.

Dear Stan and Jack,

I'm nuts about horses. I think the Kid's horse should get some of the credit because, without his smart horses, it wouldn't be westerns you'd be writing about. I hope you put out an issue about Kid Colt's, Two-Gun Kid's, and Rawhide Kid's horses in the near future, which would tell about how they got their horses and how they saved the Kids from many dangers.

Junior Tucker, Box 482B
Martinsville, Va.

We all know how important those faithful cowponies were in openin' the frontier, Jun, and from time to time we may just feature our lead-slingin' Kids' horses. So stick around, ranny!

Dear Stan and Jack,

I have just finished KID COLT #126. This was the first western comic I ever bought. I really dig Wes Hardin—let's see more of him. Man, was he fast with those vest holsters of his! I hope you will continue your repeated Marvel classic western stories. You guys are the greatest and Marvel will always be number one in my book. 'Nuff said!

John McCorry, 1449 Gillespie Ave.
New York, N.Y.

An ornery polecat like ol' John Wesley Hardin probably won't stay holed-up forever, Johnny. We reckon he'll cross the Kid's trail again before long.

Dear Stan and Jack,

I would like to see Kid Colt, Rawhide Kid, and Two-Gun Kid team up with Wild Bill Hickok, Wyatt Earp, Bat Masterson, and Pat Garrett and fight Jesse James, Billy the Kid, Johnny Ringo, John Wesley Hardin, Sam Bass, Kid Curry, and Doc Holliday in a great annual called "Heroes of the West!"

Charles Steele, 2317 Tilley Circle
Orange, Texas

If we ever round up *all* those characters, Charley, we'll have 'most everybody who ever strapped on an iron! Sure, it'd be a rip-roarin' yarn—but where'd we put the *word balloons?*

IS YOUR HAIR GROWING OR GOING?

Stand in front of a mirror. Take a long hard look at the top of your head. Do you have as much hair as one year ago? Do you see any new hair growth?

If your answer is no, it is important that you take steps today to save the hair you now have. If you act now, you may be able to reverse the trend on your head. You may be able to grow new hair faster than it is falling out. Doesn't that make sense to you? Wouldn't you like to look in the mirror a year from now and see more hair on your head than you see now? Why lose your hair if you don't have to?

CAN YOU SAVE YOUR HAIR?

Every year thousands of men and women go bald — needlessly — because of a scalp infection. This scalp infection is called seborrhea. Doctors say that three germ organisms cause seborrhea: staphyloccocus albus, pityrosporum ovale, and microbacillus. These germs attack the sebacious glands and the hair follicles themselves. If not checked, permament damage is done. The hair follicles atrophy, lose their ability to produce new hairs. The result: premature baldness.

You can easily tell if you are a victim of seborrhea. If you have itchy scalp, dandruff, hair loss, very dry or oily scalp, the chances are that you have seborrhea. Neglect these symptoms and you invite baldness.

Treat your scalp to Ward's Formula. This amazing scalp medicine quickly controls seborrhea and stops the hair loss it causes.

Here's the Proof!

I must admit I didn't have much faith in it, but I hadn't been using Ward's one week before I could see it was helping me. I could feel my hair getting thicker.
E. K., Cleveland, Ohio

Out of all the Hair Experts I went to, I've gotten the most help from one bottle of Ward's Formula.
C. La M., Philadelphia, Pa.

After using Ward's for only 12 days, my hair has stopped falling out.
R. W. C., Cicero, Ill.

I am tickled to death with the results. In just two weeks' time—no dandruff! *W. T. W., Portola, Cal.*

I feel encouraged to say that the infuriating scalp itch which has bothered me for 5 years is now gone.
J. M. K., Columbus, Ohio

Male pattern baldness is the cause of the great majority of cases of baldness and excessive hair loss, for which neither the Ward treatment nor any other treatment is effective.

DOUBLE MONEY BACK GUARANTEE

In seconds, Ward's Formula kills the three parasitic germ organisms retarding normal hair growth. This swift germicidal action has been proven in scientific tests by a world-famous testing laboratory (copy of laboratory report sent on request). Ward's removes infectious dandruff, stops scalp itch, brings hair-nourishing blood to the scalp, tends to normalize very dry or oily scalp. In brief Ward's Formula corrects the ugly symptoms of seborrhea, stops the hair loss it causes. Ward's Formula has been tried by more than 550,000 men and women on our famous Double-Your-Money-Back Guarantee. Only 1.9% of these men and women were not helped by Ward's and asked for their double refund. This is truly an amazing performance.

Why not join the men and women who have successfully ended their troubles? Treat your scalp with Ward's Formula. *Try it at our risk.* In only 10 days you must see and feel the marked improvement in your scalp and hair. Your dandruff must be gone. Your scalp itch must stop. Your hair must look thicker, more attractive, and alive. Your excessive hair loss must stop. You must be completely satisfied—in only 10 days—with the improved condition of your scalp and hair, or simply return the unused portion for Double Your Money Back. So why delay? Delay may cost your hair.

Albert Dorne—probably the greatest money-maker in the history of commercial art. At the height of his career, he began a full-time search for people who like to draw.

He's Looking for People Who Like to Draw

TODAY HUNDREDS of men and women who never thought they could be artists are working happily at easels and drawing boards, making pictures and getting well paid for it. They all can thank Albert Dorne, a famous artist who devotes almost his full time to helping other people become artists.

Some of the People Dorne Has Helped

Herb Smith was a payroll clerk. Soon after he started studying with us, he landed an art job with a large printing firm. This was four years ago; today he's head artist for the same firm.

Don Golemba of Detroit is another. He stepped up from railroad worker to the styling department of a big automobile company—by showing his work with the School. Now he helps design new-car models.

Pat Browning wanted to escape from her dull typing job to something creative. Soon after studying with us, she was promoted to full-time artist with the same firm—at much more money.

With the right training, Wanda Pickulski gave up her typing job to become fashion artist for a local department store.

Eric Ericson worked in a garage while he studied art at night. Today he is a successful artist, earns seven times as much, and is building a new home for his family.

Long before Albert Dorne started looking for people who like to draw, they came to him for advice and help. Since he alone could help only a few of these people, he called together America's most successful artists—men like Norman Rockwell, Jon Whitcomb, Stevan Dohanos and Al Parker.

A Plan to Help Others

He said: "All over America, there are people who like to draw, who could be turned into good artists. Why can't we give these people the training they need—including all the trade secrets and know-how we've learned over the years? I'm suggesting a new kind of school—a home-study art school that would give talented people the best professional art training, no matter where they live."

America's 12 Most Famous Artists

Norman Rockwell	Fred Ludekens
Jon Whitcomb	Ben Stahl
Al Parker	Robert Fawcett
Stevan Dohanos	Austin Briggs
George Giusti	Harold Von Schmidt
Peter Helck	Albert Dorne

The famous artists agreed. Taking time from their busy careers, they spent several years creating a remarkable series of art lessons covering every aspect of drawing and painting. They illustrated their lessons with over 5,000 "here's-how" illustrations. The lessons start from scratch and cover every skill a top artist needs. Finally, the famous artists developed a wonderful way to give each student personal correction and advice all through his training.

Albert Dorne is not surprised by the success of his students. "The art field is growing. We keep getting calls from all over the country, asking us for practical, well-trained students who can step into full-time or part-time art jobs."

Famous Artists Talent Test

To find others with art talent worth developing, the Famous Artists created a 12-page talent test. Thousands paid to take this test, but now the School offers it free and grades it free. Men and women who do well on the test—or can offer other evidence of art talent—may enroll in the School. But there's no obligation. Simply mail the coupon below.
